

The Looked After Children Policy

Published:	Summer 2025
Review Date:	Summer 2026
Committee Responsible:	Learning and Welfare

Nationally, Looked After Children significantly underachieve and are at greater risk of exclusion compared with their peers. We believe that St James C of E Primary School has a major part to play in ensuring that Looked After Children are exceptionally well prepared for the next steps in their lives. We aim to provide them with the knowledge and skills they need to be successful, enthusiastic learners and responsible individuals by providing a positive, safe and stimulating environment where all are included and achievements are celebrated. St James C of E Primary School believes that, in partnership with the Surrey Virtual School as Corporate Parents, we have a special duty to safeguard and promote the education of Looked After Children.

1. Aims

The school aims to ensure that:

- A suitable member of staff is appointed as the designated teacher for looked-after (LAC) and previously looked-after children (PLAC).
- The designated teacher promotes the educational achievement of looked-after and previously looked-after children, and supports other staff members to do this too.
- Staff, parents, carers and guardians are aware of the identity of the designated teacher, how to contact them and what they are responsible for.
- To provide a safe and secure environment, where education is valued and there is a belief in the abilities and potential of all children.
- To support our Looked After Children and give them access to every opportunity to achieve to their potential, enjoy learning and take as full a part as possible in all school activities.
- To ensure that school policies and procedures are followed for Looked After Children for all children.
- To work with the Virtual School and ensure that carers and social workers of Looked After Children are kept fully informed of their child's progress and attainment.
- To fulfil our schools' role as corporate parents to promote and support the education of our Looked After Children, by asking the question, 'Would this be good enough for my child?'

2. Legislation and statutory guidance

This policy is based on the Department for Education's [statutory guidance on the designated teacher for looked-after and previously looked-after children](#).

It also takes into account [section 20](#) and [section 20A](#) of the Children and Young Persons Act 2008.

3. Our School Approach

At St James C of E Primary School, we will champion the needs of Looked After Children and previously looked after children, raise awareness and challenge negative stereotypes about them, in order to ensure that they achieve to the highest level possible.

Our school's approach to supporting the educational achievement of Looked After Children and previously looked after children is based on the following principles:

- Prioritising education
- Promoting attendance
- Targeting support
- Having high expectations
- Promoting inclusion
- Raising aspiration
- Achieving stability and continuity

- Early intervention and priority action
- Listening to children
- Promoting health and well-being
- Reducing exclusions and promoting stability
- Working in partnership with carers, social workers and other professionals

4. Definitions

Looked-after children are registered pupils that are:

- In the care of a local authority, or
- Provided with accommodation by a local authority in the exercise of its social services functions, for a continuous period of more than 24 hours

Previously looked-after children are registered pupils that fall into either of these categories:

- They were looked after by a local authority but ceased to be as a result of any of the following:
 - A child arrangements order, which includes arrangements relating to who the child lives with and when they are to live with them
 - A special guardianship order
 - An adoption order
- They appear to the governing board to have:
 - Been in state care in a place outside of England and Wales because they would not have otherwise been cared for adequately, and
 - Ceased to be in that state care as a result of being adopted

Personal education plan (PEP) is part of a looked-after child's care plan that is developed with the school. It forms a record of what needs to happen and who will make it happen to ensure the child reaches their full potential.

Virtual school head (VSH) is a local authority officer responsible for promoting the educational achievement of their authority's looked-after children, working across schools to monitor and support these pupils as if they were in a single school. The VSH is also responsible for providing information and advice to schools, parents and guardians in respect of previously looked-after children.

 - Making sure that, if a looked-after child moves school, their new designated teacher receives any information needed to help the transition process.
 - Seek advice from VSHs about meeting the needs of individual previously looked-after children, but only with the agreement of their parents or guardians.
- Make sure that for each looked-after child:
 - There's an agreed process for how the school works in partnership with the child's carer and other professionals, such as their social worker, in order to review and develop educational progress.
 - School policies are communicated to their carer and social worker and, where appropriate, birth parents.

- Teachers know the most appropriate person to contact where necessary, such as who has the authority to sign permission slips.
- Where a looked-after child is at risk of exclusion:
 - Contact the VSH as soon as possible so they can help the school decide how to support the child to improve their behaviour and avoid exclusion becoming necessary.
 - Working with the VSH and child's carers, consider what additional assessment and support needs to be put in place to address the causes of the child's behaviour.
 - Where a previously looked-after child is at risk of exclusion, talk to the child's parents or guardians before seeking advice from the VSH on avoiding exclusion.
