

<p><u>Implementation</u></p> <p>We use the award winning Charanga website to support our delivery of high quality Music lessons.</p> <p>Our music curriculum is an integrated, practical and exploratory approach to musical learning.</p> <p>Singing is at the heart of all musical learning, so each sequence of work includes both singing, and learning to play instruments.</p> <p>As the children’s musical learning develops, they are exposed to musical notation, but much of the playing and singing is done by ear.</p> <p>Improvising and composing are also important elements of many units of learning, and are undertaken both with singing and instrumental playing.</p>	<div data-bbox="792 140 1473 300" style="text-align: center;"> <h1>St. James</h1>  <p>C. of E.
